Hotham Academy Spring Camp Mt. Hotham Resort Aug 29th – 31st, 2020

Dear Hotham Academy Skier:

WELCOME! We are glad you will be joining us for the Hotham Academy 2 Day **Spring Camp**. We are looking forward to skiing with you and know that you will have a great time with the Mt. Hotham Academy team. As one of Australia's finest resorts, Mt. Hotham has a lot to offer; great skiing and riding, the best snow and terrain, fine dining and lots of après ski activities. It's a great mountain to elevate and perfect your high performance skiing with some of the most challenging and diverse terrain in the country. Our Spring Camp will aim to target the individual weaknesses in your performance skiing through targeted exercises and progressions on easy terrain. Once some of these techniques are honed in we will try to adapt them to more challenging situations and snow conditions as the day's progress. You will get in some good mileage and lots of personal coaching.

We will meet at **9.00am** in Hotham Central's Chill Bar. Below is an initial itinerary for the 2 days and an equipment/clothing packing guide. This schedule may change slightly based on the group, the weather, etc. We will provide you an updated itinerary as we get closer to the start of the course. If you have any questions, please do not hesitate to call us at the Hotham Academy office at 0401 345 844 or send us an e-mail.

Please arrive dressed to ski. After everyone boots up, purchases their lift tickets we will head out on snow.
